**Competitor**  **Driver**  **Passenger** is owner of the competition car.

**Competitor, Driver/Passenger** are **not** owner of the competition car. The car owner submits the disclaimer printed on this form.

In the case of false statements, competitor and driver/passenger release the group of persons specified in the disclaimer of the vehicle owner from all claims of the vehicle owner with regard to damages in connection with the event (= untimed and timed practice, qualifying practice, warm-up, tests and reconnaissance/inspection laps, races, heats, special stages to achieve maximum speeds or shortest driving times). This applies also for costs of the vehicle owner incurred in reasonably asserting his legal rights.

### **General contractual statements of competitors, drivers and passengers (competitor, driver and passenger = participant)**

The participants are jointly and severally liable for all obligations resulting from the entry contract.

#### **The participants confirm that**

- The information given on this entry form are correct and complete,
- They are fit to meet the requirements in connection with the event (= untimed and timed practice, qualification practice, warm-up, tests and reconnaissance sessions, races, heats, special stages to achieve highest possible speeds or shortest driving times) without restrictions,
- The car complies with the current and applicable Technical Regulations in all points,
- Any part of the car may be inspected by the scrutineers at any time and that
- They will always present the car at each event in a perfect technical and visual condition.

**With their signature, they confirm furthermore that** they have taken note of the FIA (Fédération Internationale de l'Automobile) International Sporting Code (ISC) with Appendices, the CIK Regulations, the FIA Judicial and Disciplinary Rules, the Anti Doping Code of the International and the National Anti Doping Agency (WADA/NADA Code), the relevant DMSB Regulations, the General Championship Regulations and the special series regulations, the DMSB Judicial Code and Code of Procedure (RuVO), the DMSB Environmental Code and the other FIA, CIK and DMSB Regulations and that they will accept and respect those,

#### **With their signature, they furthermore accept that:**

- Circumstances in relation to the person or to the behaviour of a team member (competitor, driver, passenger, mechanic, staff member etc.) which affect the contractual relationship with the organiser or result in a claim for damages shall be applicable for and against them,
- The DMSB, its jurisdiction, the Stewards and the organisers – each party within the scope of their responsibilities – are authorised, in addition to other procedures, to also inflict penalties for infringements of the sporting regulations, the legal sporting provisions and contractual obligations, as provided for in the ISC, the RuVO, the Regulations, Supplementary Regulations and other provision, irrespective of the right to take legal action as provided for in the ISC, the RuVO and the regulations,
- They are prohibited to take any substances or apply any methods as defined in the list of prohibited substances and methods in the WADA World Anti Doping Code and in the FIA Anti Doping Regulations.

They authorise each other in particular to submit protests, to withdraw them, to notify of the intention of appeal, to submit an appeal, to confirm, withdraw appeals or to declare that they will not appeal and to submit all applications in connection with a protest or appeal case as well as to submit and to receive all statements.

#### **Declaration by the participants on the exclusion of liability**

Participants take part in the event at their own risk. They bear the sole responsibility under civil and criminal law for any damage caused by them.

They declare to waive any claims or rights to pursue action for damages in connection with the event against:

The disclaimer does not apply for damages or harm to life, body or health or any other damage resulting from the deliberate or gross negligent breach of duty, and not for any other damage resulting from the breach of a material contractual obligation committed by the group of persons released from liability. In the case of damages resulting from a slightly negligent breach of duty of a material contractual obligation, the liability for financial loss and for damage to property is limited to the typical foreseeable damage.

The disclaimer applies to claims for any legal reason whatsoever, so in particular to claims for damages based on contractual and non-contractual liability and to claims from tortious acts.

Dear racer,

we are writing to you to ask for your help. As most of you know we have a limited area for pitting of your vehicle and we normally have to squeeze everybody in and make best of what we have. It is therefore essential that you give us your exact width and length dimensions so we can try to plan it as properly as possible, please make the effort to measure your combination so that you can give us the exact measurements, if possible we would like to receive a drawing from you. **There will be an area of 6.7 metres wide and the length of your race car transporter (MAXIMUM 18 metres) included in your entry fee.** Those of you who have a wider combination may not be able to use your awning at the Hockenheimring and we advise you to make contact with us a minimum of 4 weeks prior to the event to see if we can sort something out.

Thank you for your help.

Please, check the box next to the picture that best describes your tow vehicle combination:

Looking from behind of your vehicle what side do your awning come out on? Please check a box:
