Competitor, Rider/Passenger are **not** owner of the competition machine. The machine owner submits the disclaimer printed on this form

In the case of false statements, competitor and rider/passenger release the group of persons specified in the disclaimer of the machine owner from all claims of the machine owner with regard to damages in connection with the event (= untimed and timed practice, qualifying practice, warm-up, tests and reconnaissance/inspection laps, races, heats, special stages to achieve maximum speeds or shortest driving times). This applies also for costs of the machine owner incurred in reasonably asserting his legal rights.

General contractual statements of competitors, riders and passengers (competitor, rider and passenger = participant)

The participants are jointly and severally liable for all obligations resulting from the entry contract.

The participants confirm that

- The information given on this entry form are correct and complete,
- They are fit to meet the requirements in connection with the event (= untimed and timed practice, qualification practice, warm-up, tests and reconnaissance sessions, races, heats, special stages to achieve highest possible speeds or shortest driving times) without restrictions,
- The machine complies with the current and applicable Technical Regulations in all points,
- Any part of the machine may be inspected by the scrutineers at any time,
- The machine will be made available to the scrutineers for any technical checks to be carried out upon instruction of the stewards without any charge and that
- They will always present the machine at each event in a perfect technical and visual condition.

With their signature, they confirm furthermore that they have taken note of the FIM (Fédération Internationale de Motocyclisme) and FIM-Europe International Sporting Code, the Anti Doping Code of the International and the National Anti Doping Agency (WADA/NADA Code), the German Motorcycle Sporting Code (DMSG), the relevant DMSB Regulations, the General Championship Regulations and the special series regulations, the Judicial Code and Code of Procedure (RuVO of the DMSB), of the FIM and FIM-Europe, the DMSB Environmental Code and the other FIA, CIK and DMSB Regulations and that they will accept and respect those,

With their signature, they furthermore accept that:

- Circumstances in relation to the person or to the behaviour of a team member (competitor, rider, passenger, mechanic, staff member etc.) which affect the contractual relationship with the organiser or result in a claim for damages shall be applicable for and against them,
- The DMSB, its jurisdiction, the Stewards and the organisers – each party within the scope of their responsibilities – are authorised, in addition to other procedures, to also inflict penalties for infringements of the sporting regulations, the legal sporting provisions and contractual obligations, as provided for in the International Sporting Codes of the FIM/FIM-Europe, the DMSG, the RuVO, the Regulations, Supplementary Regulations and other provision, irrespective of the right to take legal action as provided for in the International Sporting Codes of the FIM/FIM-Europe, the DMSG, the RuVO and the regulations,

They authorise each other in particular to submit protests, to withdraw them, to notify of the intention of appeal, to submit an appeal, to confirm, withdraw appeals or to declare that they will not appeal and to submit all applications in connection with a protest or appeal case as well as to submit and to receive all statements.

Declaration by the participants on the exclusion of liability
