

Additional information (most of all information you find on the entry form/in the supplementary regulations) – please read carefully ☺

1. entry

- please fill out the entry form **on a computer (if not, please write clearly readable)**, print out and send all forms **by post** to the BMC
(JD, PET and SPET must add two current (**2017**) timeslips – see regulations)
- entry form **AND** entry fee must be received by the BMC by entry closing date (bank account = see entry form or regulations); **if we don't receive BOTH on time, the entry is not valid!**
- entry confirmations (via email) and publication of participants at www.nitrolympx.com **after** entry closing date

2. liability waiver

- no passes without **original signature!**
- following passes (**including** driver) will be issued – entry allowed to the south stands block A-D, seats (not numbered) in rows 20 to 24:

JD	2	FIA classes	10
PET	3	FIM classes	10
SPET, SG, SC, CC, STG, FB	5		

3. additional services

3.1 additional pit space NEAFP-classes

- only the listed options (see entry form) are available

3.2 additional team-tickets

- available for **EUR 60.00** each (seats in south stands block A-D, not numbered) - only for team members!

4. licenses

- the DMSB dragster rules apply for the NEAFP classes, the FIM E regulations for drag bikes and FIA regulations for the European Drag Racing Championship.

www.dmsb.de www.fia.com www.fim-europe.com

- only valid drag racing licenses from DMSB or a foreign sport authority authorise the participation in the event
- no event licenses will be issued on-site!
- the vehicle class selected on the entry form can't be changed after final close of registration; renaming can only be done for technical reasons; the decision on this is made by the clerk of the course

5. start Crew

- attendance to the starting line:
JD = 1 assistant; Pro ET = 2 assistants; Super Pro ET, SG, SC, CC, STG, FB = 3 assistants;
FIA classes = 6 assistants (exception: TF = 7 assistants); FIM E SSB Cup = 3 assistants;
FIM E classes = 4 assistants
- after the pre-start, all other crew members must get in the crew vehicle or remain behind
- SPET: a crew vehicle will be permitted to the start area only for justifiable exceptions
- all vehicles requiring a service car for the return must be equipped with **clearly visible towing hooks**

6. qualifying

- participation in the first round of qualifying on **Friday** is only allowed with administrative/technical check on Thursday **and** attendance at the drivers briefing (see regulations)
- two additional qualification rounds are scheduled for **Saturday**; elimination rounds start at 4 p.m. for some classes

7. prize money, travel expenses

- the manner of payout will be announced at the drivers briefing
- payment will only be made upon presentation of the completed travel expenses form (www.nitrolympx.com) and all necessary receipts

8. boxes

- boxes will only be rented **upon request**, please contact: bmc@hockenheimring.de

9. team hospitality

- service for team sponsors and guests is considered hospitality and requires that the team pays a fee, based on the size of the hospitality area
- a basic requirement for this is that each guest or sponsor has to buy a regular grandstand ticket
- **pre-arrangements are required for all team hospitality areas**

10. sales of team souvenirs

- for the sale of team souvenirs, such as t-shirts, caps, jackets, etc. a **permission** from the city of Hockenheim is required
- each team is responsible for getting this special permission (contact person: Kim Martin, phone +49 6205 950 209, kim.martin@hockenheimring.de)
- without permission you can be removed from the premises

11. paddock

- main arrival day is Thursday; if you arrive on Wednesday, entry to the paddock can only be guaranteed until 10 p.m.
- vehicles parked in the paddock without a car pass will be towed (the fee is paid by whoever collects the car)
- the **speed limit** "walking speed" applies to all vehicles in the paddock
- the StVZO (German Road Traffic Licensing Regulation) applies for all service vehicles (also for service scooters/motorbikes) with the corresponding acoustic level in accordance with the operating license
- all motorised traffic is prohibited in the paddock after 11 p.m.
- **attention parents/participants:** children up to the age of 12 years are prohibited to use any kind of motorized equipment! Drivers can be removed from the race if their crew/children do not follow the rules. Children up to 12 years are allowed in the paddock only under adult supervision. Roller skates, skateboards and other similar items are forbidden in the paddock and will be confiscated by the security until the end of the event
- it is generally prohibited to bring along animals to the event/paddock!

Good luck!
