

**26.-28.
AUGUST**

SAMPLE PERSON

Experience the sport from a truly unique perspective with the **NITRO-LYMPX HOT SEATS**. This is the ultimate way to watch a sports event! You can't get any closer than this! Witnessing a Top Fuel or Pro Mod circuit from the **NITROLYMPX HOT SEATS** will kick your senses into high gear: just imagine the roar of the engines, the trembling asphalt, the precise work of the crew and the smell of nitro and rubber. And then there's the high-octane force of the start that will leave you gripped to your seat!

That's why there's a safety briefing before you take your seat.

The following equipment will be provided to Hot Seats users:

- 1** Safety goggles
- 2** Headphones with radio
- 3** Earplugs
